3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203

RECEIVED

DEC 23 1993

DIVISION OF
OIL, GAS & MINING

Enclosed is the completed "Annual Report of Mining Operations" form for the White River Oil Shale mine that you requested we fill out in your December 13, 1993 memo to us.

If you have questions or require further information, please contact me at (801) 781-4440.

Gary R. Hunter
ADM Operations

3. How much **additional acreage** was disturbed during the past year? None

4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

None, mine and operation was inactive all year again.

5. How much acreage was **reclaimed** during the past year? None

6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

None

7. What is the **total disturbed acreage** at years end? _____

8. Briefly summarize any mining and/or reclamation plans for the upcoming year.

None, this mine has been in-active since 1986 when we took it over to maintain it as is until we can find a new owner.

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. Signature Requirement

I hereby certify that the foregoing is true and correct.
